Everything presented in this document is for advertising and illustrative purposes only and does not constitute a binding representation. It is further clarified that the planning and/or execution of the buildings and/or the complex and/or the development and/or the actual apartments will be different from what is shown in the simulations and in the marketing material in this document or in any other presentation provided by the company. The company will only be bound by the sales contract, its appendices and the technical specifications, which have been signed parties. The areas shown are measured following the regulations of the Apartment Sale Law.
